

Federated States of Micronesia
Department of Education
Special Education Program

Request for Proposals

1. General

The FSM Department of Education (DOE) receives funding under the US Department of Education Individuals with Disabilities Education Act (IDEA), Part B Section 611 to provide special education and related services for eligible children with disabilities. In meeting the requirements of IDEA, the FSM DOE may utilize external technical assistance, training, and support to assist in the delivery of special education programs and services.

The FSM DOE Division of Special Services (DSS) has determined that some of the prioritized activities in Fiscal Year 2018-2019 will require contracting external consultants for technical assistance and training services.

2. Request for Proposal

The FSM National Government (*hereinafter referred to as "government"*) hereby solicits proposal bids from interested individuals, firms or organizations (*hereinafter referred to as "applicants"*) to provide specialized technical assistance, training and other consultative support services that facilitate the general supervision and delivery of special education programs and services throughout the FSM.

a. Scope of Work

The information below provides specifications for a request for proposals. All proposed activities **should commence on or about October 1, 2018 and should be completed by September 30, 2019**. Interested parties should submit a detailed proposal for one or more of the priority areas identified below:

i. Special Education - Local Education Agency (LEA) Applications, State Performance Plan (SPP), Annual Performance Report (APR), Local Systemic Improvement Plan (LSIP) Technical Assistance:

- Provide technical assistance in areas of the Special Education Program's SEA and LEA general supervision system reporting;
- Assist states and national to review and develop Local Performance Plans (LPP) and the State Performance Plan (SPP), Annual Performance Report (APR), and State Systemic Improvement Plan (SSIP);
- Provide training and other needed capacity building activities for both the state and national government program offices and units handling Special Education Program; and
- Technical assistance may include training on the Early Childhood Outcomes and Evaluation for Eligibility Determination.

Proposals should include a budget breakdown for professional service time, travel, and necessary supplies to conduct the needed trainings or implementation of proposed activities.

Proposed activities must cover a period of one year, with the option to renew for up to three additional years subject to the availability of IDEA Part B funding to the FSM.
